Contact your GP practice to book an appointment

Ring NHS 111

When your practice is closed between 6.00pm – 7.30am, at weekends and on public bank holidays. If you have an urgent concern, you can call **NHS 111**, where health advisors will ask you a series of questions about your condition and where appropriate, book an appointment with a GP. This could be a telephone assessment, a face-to-face appointment at a treatment centre or a home visit.

They may also book an appointment at your registered GP practice if your condition is less serious.
