#### **Surgery Information**

We provide a full range of NHS GP services from one site and set ourselves high standards in terms of quality of care. We are very keen on working with patients to try to prevent ill health as well as looking after people with illness or disability. Our team all work hard to ensure you have the best possible clinical care. We also have an active patient participation group which help us to shape both current and new services.

We are a teaching practice for the Hull York Medical School and are committed to helping the teaching and training of the medical staff of the future

Our dedicated team are here to treat those minor ailments that occur as well as providing specialist management of long-term conditions and clinics covering a wide range of healthcare issues. Technology also means you can now do a lot of things from the comfort of your home such as order a repeat prescription.

## **Opening times**

Surgery telephone lines are open Monday to Friday from 08:00 until 18:00, except for a Thursday lunchtime when we are closed from 12.00 until 14.00 for staff training purposes. ### **Additional information**

#### Fitness to work notes

You do not require a doctor's sickness certificate for any illness lasting seven days or less. Your employer may however require you to complete a self-certification form (SC2) which is available from your employer or on the HMRC website. After 7 days of absence your employer will normally require a doctor's note – you will need to contact us via our online platform Klinik to request a sick note.

#### Repeat prescriptions

Once your medication has been set up by your doctor, and if the date for your medication review has not expired, it is possible for you to request repeat prescriptions without seeing your GP. Repeat prescriptions can be obtained by:

- Via the NHS app (please see our website for details)
- Via our online services (SystmOnline/ Airmid app) please ask at Reception for access
- Via KLINIK the online portal.
- Leaving your prescription request form in the post box in the reception foyer (if you don't have one, please ask for a prescription order form at reception

# <u>Please allow two full working days for your prescription to be sent your pharmacy.</u>

## Parking and disabled access

Parking and wheelchair access are available at the surgery. There are two disabled toilets, one within the main waiting room area and the other in the same day care area.

#### **Complaints**

We hope that if you have a problem, you will use our practice complaints procedure. We believe this will give us the best chance of putting right whatever has gone wrong and an opportunity to improve our Practice. Please ask at reception for a copy of our complaint leaflet or see the practice website.

## **Patient Participation Group**

The Patient Participation Group (PPG) aims to represent the views of patients; to identify areas for improvement and find solutions; and support the practice in making changes to service provision. Details of their recent meetings can be found on the website. If you are interested in joining the group, please sign up on the website or ask at reception for further details.

#### Freedom of Information Act

The practice complies with the Freedom of Information Act. A full copy of our practice policy is available on request

## Confidentiality and your personal data

Confidentiality is of the utmost importance to the practice. We comply fully with the Data Protection Act and all information is kept securely.

Our Privacy Notices are available at the surgery and on our website <a href="www.scottroad.org.uk">www.scottroad.org.uk</a>. We comply with the General Data Protection Regulation Act 2018 (which replaces the Data Protection Act 1998).

## Rights and Responsibilities of the Patient

## Our commitment to you:

- \* You will be treated as a partner in the care and attention you receive.
- \* You will be treated as an individual and will be always given courtesy and respect irrespective of your ethnic origin, religious beliefs, personal attributes or the nature of your health problems.
- \* Following discussion, you will be given the most appropriate care, given by suitably qualified people. No care or treatment will be given without your informed consent.

- \* You have the right to see your health records, subject to any limitations in law. Your records will be kept confidential.
- \* We will give you full information about the services we offer. Every effort will be made to ensure that you receive any information which
- \* directly affects your health and the care being offered
- All staff involved in your care will be identified by name
- When attending the surgery, you can expect to be informed of any excessive delays
- \* The practice is committed to monitoring the care given to you by secondary care organisations such as hospitals.

## Your Responsibility to us:

- \* Come to the surgery wherever possible. If an appointment has been made you are responsible for keeping it. If you are unable to attend, please cancel your appointment. The time can be available for someone else.
- If several family members are ill, please make an appointment for each of them
- \* Some consultations are unexpectedly long. It may be that arrangements have to be made to get a patient into hospital immediately. These can be unpredictable and may cause delays. You will be informed of the delay, and we ask that you are patient.
- \* The doctor can see may more patients in surgery than when out visiting. Most children can be brought to the surgery and will be seen more promptly than if a home visit is requested. Home visits are for people whose medical condition means that they cannot leave the house for medical reasons.
