

“

If you give your time or energy to look after a friend, family member, or child with additional needs in Kirklees, then Carers Count is here to help you.

”

Carers Count is a free service for unpaid carers in Kirklees. We provide carers aged 18 and over with tailored resources designed to improve their lives, health, and wellbeing. We help carers to find balance in their busy lives and to access the support they need and are entitled to.

We know that often people do not see themselves as carers and can miss out on vital information and support to help them in their caring role. That's where we come in! Get in touch to find out more...
