Spring 01 2016

## Charnock Health Primary Care Centre

Welcome to our regular newsletter, available online as well as in surgery.

### All change!

A new GP is  
joining our  
team in April  
2016

*We are pleased to announce that Dr Rachel Marsden will be joining us this year as a new member of our practice team.*

*" Hello, I'm delighted to be joining Charnock Health, and am looking forward to being a GP in an area I know so well with a lovely team"*

### Dr Rachel Marsden MB ChB

***Rachel graduated in medicine at Sheffield University Medical School in 2009 and has completed her training for general practice in Sheffield. She has particular interests in childrens' medicine, end of life care and mental health.***

*When not working hard as a GP Rachel likes to spend time with her family in the countryside, and has completed several charity runs including the 2014 London Marathon.*

*She relaxes by reading, knitting and baking and has used her baking skills to raise money for childrens' charities.*

*Welcome aboard, Rachel !*

### ...and we say goodbye

*After 34 years as a GP Dr Phil Deakin will be retiring from practice at the end of March. His plans include completing a degree course in herbal medicine, spending more time with his husband and watching the flowers grow...*

*We wish him well.*

### Charnock Health: The 12th Doctor

***"We're all stories,  
in the end... just  
make it a good  
one, eh?"***

Doctor Who: The Big Bang, 2010.  
(Television), Directed by Toby Haynes.  
United Kingdom: British Broadcasting  
Corporation.

### Tracey Fowlds, Nurse Practitioner

After 17 years we are also saying goodbye to Tracey, one of our nurse practitioners. Over this time Tracey has worked tirelessly to develop and extend the nurses' role in patient care.

She has now decided to concentrate on her non-medical interests, explore the world and enjoy some time with her family.

She has our very best wishes for the future. We will miss you, Tracey.
