## Welcome to the Hillingdon Health Centre

Appointments are available Monday to Friday at various times between 8.30am – 5.50pm, with some appointments in the early morning and some later in the evening. You can book appointments up to two weeks in advance. Appointments are available to book online with an online password please ask the receptionist if you would like access.
No Surgeries on Saturday or Sunday.
Please telephone the surgery for appointments first, do not turn up expecting to be seen, as most times this is not possible.
Opening Times to collect/drop off prescriptions Monday to Friday 8.30am – 1.00pm & 2.00pm - 6.00 pm. The surgery is closed weekends and Bank Holidays.
Please allow 48 hours between requesting repeat prescriptions and the prescription being available, remembering that you cannot count Saturday or Sunday as any part of the 48 hours. This practice provides 28 days of repeat medication only.
If you would like to set up managed prescribing with your pharmacy please arrange that directly with your pharmacy. If you have moved from another area and used managed prescribing before please remember that unless you change the pharmacy yourself your prescription will continue to go to the previous pharmacy.
DNAs – Did Not Attends – making an appointment and not keeping it or cancelling it wastes an unacceptable amount of time and prevents another person from being seen. Habitual DNAs may result in removal from our lists. Please keep or cancel your appointments.
Out of hours service – Care UK: 111 – Please do not call this number when this practice is open.
If you feel you need to see a Doctor urgently within the next 24 hours please telephone before 10.30 am.
Finally this practice operates a Zero Tolerance Policy to physical or verbal abuse,  removal from our practice list is the likely outcome
THANK YOU
