

**NEW LYMINGE SURGERY  
PATIENT PARTICIPATION GROUP NEWSHEET**

**2018 Flu Campaign**

There was an excellent response to the Flu Open Clinic which was held on Saturday 6 October, with 668 flu's given to those eligible. This campaign has been changed from previous years with a different vaccine for the over and under 65s. Because of this, the Practice was only able to offer one Saturday Open Clinic as the next delivery date for the over 65s vaccine was not until mid-November. The manufacturers have assured the Practices that this will not be the case in future years so the Practice plans to have its usual 2 Saturday Open Clinics in September and October 2019. Thank you to those who waited so patiently in the car park on a chilly day. Thankfully the rain held off until after the clinic had ended!

We really do need your support to attend Saturday Flu Clinics to ease the pressure for our Clinicians during the week.

**Online Booking**

Online appointment booking and ordering of repeat medication has increased and the Practice is keen to encourage more use so please, if you are not already signed up, speak to the reception team who will assist you with setting up your online account.

**Car Parking**

Another reminder to all patients to please park within the newly marked parking spaces. Please note that the car park is ONLY for the use to patients attending appointments or collecting medication. It is NOT for the use of dog walkers or any other purpose.

**Christmas Opening Hours**

Date	
24 Dec	Surgery Open
25 Dec	<b>Closed All Day</b>
