ADVANCED NURSE PRACTITIONER NORTH EAST DERBYSHIRE PRIMARY CARE NETWORK LIMITED

Are you an Advanced Nurse Practitioner looking for an innovative role in a forward-thinking primary care team? Do you want to be part of the solution in seeking timely and improved access to patient care? Are you passionate about providing high quality care to all sectors of our community?

North East Derbyshire Primary Care Network Ltd (NED PCN) has an exciting opportunity to join our PCN team. At NED PCN we already employ ANPs working across our 4 member practices. Our ANP workforce play an integral role within our general practice teams, which is why we are looking to expand our PCN workforce.

NED PCN is an organisational group of 4 proactive GP practices in North East Derbyshire. The Practices are Barlborough Medical Practice, Killamarsh Medical Practice, The Springs Medical Partnership and The Valleys Medical Partnership.

NED PCN is a relatively small PCN with just over 40,000 patients. We feel that this makes us big enough to develop a successful team but small enough to be an approachable, friendly place to be.

The NHS Long Term Plan describes the prominent role Primary Care Networks play in delivering proactive, personalised and more integrated health and social care for their local populations. This will require collaborative working between organisations including GP practices, acute and community health, social care organisations and the voluntary and community sector.

The postholder will act autonomously within their professional scope of practice providing care for patients face to face, telephone consultations and home visits.

The postholder will operate within their own sphere of competence and agreed acceptable limits of practice to provide expert professional clinical advice to patients, carers and colleagues, ensuring clinical safety and excellence.

The practitioner will need to prioritise the needs of patients, making any necessary referrals for investigations in the appropriate manner.

The practitioner will be supported in their role by GPs within the practices within the PCN. There will be opportunities for upskilling and further training within the role if necessary. We anticipate that the successful candidate will be based at 1 or 2 practices within the PCN, subject to discussion around working patterns.

- Salary - £43,742.00 - £57,349.00 per annum pro rata dependent upon experience
- Full-time/Part-time
- Permanent position

Benefits package

- Working for a values-driven organisation providing high quality patient care
- Automatic enrolment into the NHS pension scheme, with the option of opting out
- Monthly protected in-house training sessions
- No weekend or evening shifts
- Eligibility for NHS discounts eg Blue Light, Costco
- Access to Paycircle – where you can view your payslips online, any time securely and in one place
- Access to free wellbeing support which offers a wide range of tools and resources
- Educational support opportunities
- Free parking

Core practices opening hours of 8 am – 6.30 pm Monday to Friday each week.

If you would be interested in having a confidential informal discussion about this opportunity or for further details, please contact: Miss Sarah Buckley, PCN Manager via sarah.buckley6@nhs.net or Mrs Andrea Bradley, Assistant PCN Manager via andrea.bradley10@nhs.net.

PRACTICE MANAGER BARNSELY ROAD SURGERY

24 hours, flexible
Wage Depending on Experience

An opportunity has arisen for a practice manager to join our practice.

The successful candidate will be highly motivated with excellent leadership skills. Candidates must be conscientious, empathetic and pragmatic, have a sound knowledge of strategic business management, finance, planning and HR.

You should be adaptive and able to understand and respond to the diverse and dynamic nature of the role, balancing the needs of the practice with ever changing challenges of providing health care.

Working alongside the GP, you will be responsible for the day-to-day smooth running of this patient-centred practice. You will also have the vision, willingness and drive to adapt and lead the practice forward. You will be responsible for organisational leadership, service improvement and delivery of key targets across all clinical and administrative areas within the practice.

Previous management experience is essential and whilst previous NHS experience is preferred, we would be happy to consider and appreciate the talents and transferrable skills of candidates from other sectors

Barnsley Road Surgery are a small & friendly practice with a patient population of around 2500 patients.

The Doctors, nurses and staff at Barnsley Road Surgery are dedicated to providing high quality, safe, patient centred care to improve the health, well-being and lives of patients and their families.

We aim to provide the best Primary Care Services possible working within local and national governance, guidelines and resources.
