SEEKING THE ROLE OF SALARIED GP DR JOSEPH AKHATOR

As a highly skilled and compassionate General Practitioner with a decade of clinical experience in various settings and patient cohorts, I am excited to bring my expertise to a dynamic healthcare team in South Yorkshire following my CCT. My commitment to providing exceptional patient care, coupled with my strong communication skills and ability to work effectively within multidisciplinary teams, make me a valuable asset to any medical practice.

Professional Summary:

- Extensive experience in primary care, managing a diverse range of patient conditions with a focus on holistic, patient-centred care.
- Proficient in diagnosing and treating acute and chronic illnesses, preventive care, and health education.
- Strong background in managing patient records, ensuring accuracy, confidentiality, and compliance with healthcare regulations.
- Adept at using electronic health record (EHR) systems to streamline patient care and improve practice efficiency.

Key Qualifications:

- MBBS from University of Benin, with further trainings including MPH; various diplomas in leadership and in business management.
- Licensed to practice medicine in the UK with GMC 7676580.
- Excellent interpersonal skills, fostering strong patient relationships and effective communication with colleagues.
- Demonstrated ability to handle high-pressure situations with professionalism and empathy.

What I Offer:

- A commitment to continuous professional development and staying updated with the latest advancements in medical practice.
- A proactive approach to patient care, emphasizing preventive measures and healthy lifestyle choices.
- The ability to collaborate effectively with healthcare professionals to ensure comprehensive patient management.
- A passion for community health, aiming to make a positive impact on patient well-being and quality of life.

I am eager to join a reputable healthcare group/practice where I can contribute to the well-being of the community and grow professionally. I look forward to discussing how my background, skills, and enthusiasm align with the goals of your practice.

SALARIED GP WITH A VIEW TO PARTNERSHIP
SLOAN MEDICAL CENTRE
www.sloanmedicalcentre.co.uk

6 Sessions

We are looking to recruit a Salaried GP to complement our experienced and diverse team. The position is with a view to partnership. This is an exciting opportunity for an ambitious GP to join our friendly, progressive team based in a dynamic Medical Centre in Sheffield. We offer a chance to join a well-established training practice with a high performing team.

We believe in Person-Centred holistic care, working in partnership with our patients and local community to offer tailored long-term condition management. We pride ourselves in being at the cutting edge of education, innovation and service delivery. We have a strong focus on high quality patient care and working as a team.

Our premises are modern, and purpose built. Our team consists of 4 Partners, 6 Salaried GPs and a well established Nursing team including Advanced Clinical Practitioners, Practice Nurses, First Contact Practitioner, Nurse Associate and Healthcare Assistants. We use SystemOne, Ardrens and Accurx total triage for demand management.

We are a well-established training practice for GP Registrars, medical and nursing students. We have over 14,000 patients over 2 sites and our list size is growing year on year.

We are leaders in Women's Health with a weekly Woman's Health Service offering LARC, coils and implants, and pride ourselves in keeping up to date with the management of menopause symptoms. We also host the Sheffield Sexual Health Hub. Through our PCN membership we work collaboratively across our network area employing Pharmacists, Pharmacy Technicians, a Primary Care Mental Health team, Health Coach as well as a Social Prescribing team.

We have a very supportive and enthusiastic Management team, excellent Patient Services and Administrative support staff and strive to provide a supportive work environment. We support the green agenda and believe in low carbon transport and personal health & well-being.

We hold weekly team meetings including MDT, SEA and educational sessions. We also hold more informal daily lunchtime meetings for all clinical staff.

Our team are allocated dedicated CPD sessions based on the number of sessions they work and this allows us to continue to be at the cutting edge of primary care.

- 6 sessions
- £10,000-£10,500 dependant on experience
- NHS Pension
- Indemnity reimbursed
- 6 weeks annual leave and 1 week study, pro rata
- BMA Model Contract
