

## Change of names

Please inform us as soon as there is any change of names with both you or any other members of your family.

This will enable us to keep our records up to date and ensure the practice receives the correct mail from other sources i.e. hospitals

If you have more than one home address please advise staff as to which one is the main address so that we can amend our records so that it avoids any confusion when searching for records, this saves a lot of time.
