

## Need healthcare advice without an appointment?

# Go to your Pharmacy First

The Pharmacy First Service allows patients to access **FREE** advice and / or treatment for common ailments including: cough, allergies, veruccas, thrush, hayfever, earache, head lice, constipation and much more.

Pharmacies can also provide advice and treatment if needed for a number of conditions which would normally require you to seek an appointment at your GP practice. These include:

Skin infections

Shingles

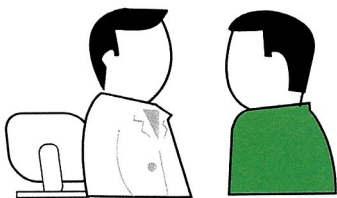

Throat infection

Impetigo

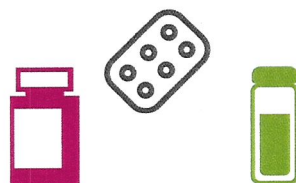

Urine infections

*Your pharmacist will ask you about your symptoms in order to give you the right advice and treatment if appropriate.*

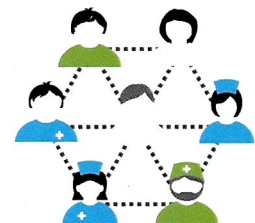

## ADVICE TREATMENT REFERRAL

**ADVICE ON YOUR  
SYMPTOMS**

**TREATMENT IF  
RECOMMENDED**

**REFERRAL TO  
OTHER SERVICES**

You should be aware there are some exclusions which can prevent your pharmacist from treating you and you may need to be referred you back to your GP.
