

A photograph of a hospital hallway. In the foreground, two women in scrubs (one white, one blue) are walking away from the camera. In the background, a patient is sitting in a wheelchair, and another patient is lying on a gurney. A doctor in a white coat is attending to the patient on the gurney. The hallway has large windows and a clean, modern appearance.

**YOUR
WINTER
HEALTH**

Protect your health this winter

If you work within Health and Social Care you are eligible for the free flu and Covid-19 vaccines. Walk-ins are available at the Private Patients Unit at Nobles.
