

COVID - 19 (Coronavirus)

If you have a

- high temperature

and/or

- new persistent cough

and /or

a loss of, or change to your sense of smell or taste

Self - isolate (stay at home for 7 days)

DO NOT come to the surgery, pharmacy or hospital

Call your GP if:

- you feel you cannot cope with your symptoms at home.
- Your conditions get worse
- your symptoms do not get better after 7 days

If it is a medical emergency and you need to phone an ambulance dial 999 and inform the operator of your symptoms .

for further information and self - isolation advice visit

www.phs.site/coronavirus

From week beginning 23/3/2020 Eastside surgery have temporarily suspended the booking of routine appointments . The practice will operate a telephone triage system.

The surgery remains open please call the surgery between 8.30am – 10.30am if you require an GP call back. Calls may be capped due to volume and you may be asked to call back the next day if your issue is not urgent.
